

The Mustard Seed and the Yeast

Bible Verse

Everybody who hears these words of mine and puts them into practice is like a wise builder who built a house on bedrock. Matthew 7:24

Did You Know?

As we continue to hear stories that Jesus told, this week we hear two stories about God's kingdom. Jesus often spoke of God's kingdom. Sometimes we imagine the kingdom of God as being a place and time in the future. Jesus spoke of God's kingdom as being present on earth right now. Moreover, Jesus encouraged his followers (that's us) to bring about God's kingdom here on earth. The kingdom of God is present anytime and anywhere God's followers are doing God's work and living as God wants them to live.

Jesus compared God's kingdom to a mustard seed. Mustard seeds are very tiny. Yet when planted, a mustard seed can grow into a large tree-like bush. Some mustard trees are taller than people, yet they start from a seed so small it easily could be lost.

Next, Jesus compared the kingdom of God to yeast. Bakers know the power of yeast. Although yeast is small, it causes bread dough to rise. If left unchecked, the dough will continue to rise and grow many times its original size.

God's kingdom is present all around us. As we learn from the parables of the mustard seed and the yeast, even small things can have a large effect. These parables remind us that God's kingdom is ordinary. God's kingdom is abundant. God's kingdom is surprising. When we follow Jesus' teachings and live the way God wants us to live, great and amazing things can happen. God can turn our efforts into magnificent results. God's kingdom is here and now.

This week, your children will be introduced to a mission project that will last the rest of this quarter. Children will be encouraged to bring offerings over the next several weeks that will support the work of UMCOR Armenia. Children will take home a letter today about the mission project. Supporting mission projects such as UMCOR Armenia is one way we can do God's work and show people what God's kingdom looks like.

LEARN & SERVE WITH THE DEEP BLUE KIDS: MEET ARMEN

Supplies: Class Stuff—pp. 2-3, 31; Leader Guide—p. 48; world map or globe

 Display Poster: Armenia InfoGraphics, Poster: Armenia Missions, and Poster: Meet Armen.

SAY: Today the Deep Blue Kids met a new friend, Armen, in Armenia.

ASK: Who can find Armenia on the map?

Sometimes we need to make sure everyone is included in our congregations.

Use the Accessibility Audit found on p. 89, to evaluate your church spaces so all can feel welcomed.

SAY: Armen is hearing impaired, which means he has difficulty hearing. He also goes to a special school in Armenia. The school he attends is committed to providing a great, well-rounded education to Armenian children with special needs. Teachers at the Special Schools teach all the typical school subjects such as math, history, science, and literature, with accommodations for kids with hearing loss, vision impairments, and/or intellectual disabilities. But they don't end there. They also provide classes in dance, singing, pottery, painting, computers, beekeeping, and farming. They want to help kids with disabilities thrive in all parts of life. Many of the students come from poor families. They live at the schools during the week while their parents work. Sometimes their parents must travel far away from home to find work. UMCOR Armenia helps make sure the children get good, nutritious food while they are staying at school. The money you raise this month will help UMCOR Armenia provide healthy food for the children at Special Boarding Schools in Armenia.

- Photocopy and distribute the mission letter.
- Encourage children to take home the mission letter and share it with their families.

CRAFT ACTIVITY: WHAT DOES GOD'S KINGDOM LOOK LIKE?

- Distribute paper and coloring utensils.
- Encourage children to draw a picture of God's kingdom.
- Invite willing volunteers to share.

SPIRITUAL PRACTICE: RISE UP!

SAY: In our story, a small amount of yeast helped a large loaf of bread rise. God takes small things and makes a big difference! Sometimes we might get told we are too small. But with God, big things are possible!

ASK: What can you do to make a big difference?

SAY: This week, remember that with God's help, you can rise up and make a big difference. You can share God's love and make God's kingdom possible!

Mission Project Letter

Dear Parents or Guardians,

The Deep Blue Kids arrived in Armenia! They landed in Gyumri City where they met Armen, and he is excited to show the crew around his school and teach them about his culture.

During our time with Armen in Armenia, we will learn about the ministry project UMCOR (United Methodist Committee On Relief) Armenia is involved in. UMCOR Armenia has many ongoing projects, one of which is a partnership with a group of special schools for socially vulnerable children with developmental delays, speech and hearing impairments, and differing intellectual abilities.

The special needs schools have many students they love and support—they had 86 students in 2014! During the week, these children live at their school and participate in classes, including math, science, dancing, chess, and Armenian. UMCOR programs provide food security and sustainability by giving the schools beehives and cows.

Learn more about UMCOR Armenia here: <https://www.umcor.org/umcor/resources/news-stories/2016/may/0510armeniabeginning>.
