

# Safe Sanctuary Update

06.04.17

Many of you are aware that we have put into place the Safe Sanctuary training requiring that all who work with Mt. Zion's children and youth complete the training and a background (criminal history) screening. For those of you who completed the trainings we held earlier in the year, the background checks have been completed. **If you have NOT yet completed the training and wish to participate in ANY children or youth activities at Mt. Zion, please contact us immediately** so that we can provide information on the training and necessary authorizations we need from you for the background (criminal history) screenings.

In the near future, members will have the ability to do the training on line and enter their own personal information to the have their information. Authorized users at Mt. Zion can then access the report once it is ready. If you prefer this method, contact us and we will get you set up to proceed this way.

Please join us as we strive to make Mt. Zion UMC the safest sanctuary possible for our children and youth.

Liza Marler, Pastor

Deborah Woodward, Lay Leader

Lorraine Bunn, Safe Sanctuary Coordinator
